CORE LOOP

Explore the Map: Players navigate through maze like terrain, discovering different areas.

Complete Platforming Challenges: Players engage in platforming challenges that test their agility and timing, overcoming obstacles along the way.

Encounter Enemies: As players explore, they face hostile monsters that they must defeat or avoid, adding an element of danger and excitement.

 $\textbf{Discover Puzzles:} \ \ \textbf{Throughout the levels, players come across puzzles that must be solved to progress.}$

Solve the Puzzles: Players must use their problem-solving skills within a time limit to complete the puzzles, which unlocks the fragment.

 $\textbf{Collect the Fragment: } After \ \texttt{successfully solving puzzles, players collect the fragments needed to restore the Magic Barrier. \\$

Progress to the Next Level: Once all puzzles in a level are completed and the fragment is collected, players advance to the next level, where the challenges become even more difficult.

WIN CONDITION(S)

The player wins the game by collecting all 9 fragments and successfully restoring the magical barrier.

LOSE CONDITION(S)

The player loses the game if they lose all their lives, resulting in a reset of their progress.

STORY

In a peaceful land, a powerful Magic Barrier has kept terrifying monsters locked away for ages. One day, the monsters break through and shatter the Barrier into nine fragments, scattering them across the land. With the Barrier destroyed, they are free to cause chaos.

You play as the last guardian, tasked with finding all nine fragments to restore the Magic Barrier and save your home. Your adventure takes you through nine challenging levels, each tougher than the last, blending classic platforming and puzzle-solving.

As you navigate various terrains, you'll face the very monsters that shattered the Barrier. You'll need to defeat them and solve tricky puzzles to collect the fragments—all while racing against a time limit.

FEATURES

Timed Puzzle-Solving: Players must solve puzzles within a set time limit, adding urgency and excitement to gameplay.

Platforming Challenges: Diverse platforming sequences that test players' agility, timing, and reflexes.

Enemy Encounters: Various monsters that players must defeat or evade, providing combat elements alongside platforming.

Fragment Collection: Players gather nine fragments needed to restore the Magic Barrier, serving as the main goal of the game.

Maze-Like Level Design: Levels are designed with branching pathways, creating a maze-like experience that encourages exploration and strategy.

Unordered Puzzle Solving: Puzzles can be solved in any order, giving players the freedom to approach challenges as they prefer.

Level Progression: As players advance through nine increasingly challenging levels, they experience a sense of progression and achievement.

Sense of Accomplishment: Successfully completing puzzles and collecting fragments provides players with a satisfying sense of achievement.

AUDIENCE

Players aged 14 to 25 who enjoy platforming and puzzle-solving
